.....

Professor Lim Hua Sing was born in Malaysia, and received his BA and MA from Hitotsubashi University and his PhD from London University. In his earlier years, he worked at the Institute of South-east Asian Studies in Singapore, the National University of Singapore and Chukyo University in Nagoya. Professor Lim last taught at the Graduate School of Asia-Pacific Studies (GSAPS) and the Waseda Institute of Asia-Pacific Studies (WIAPS), where he was also the Director of the Institute of Chinese Economies, Waseda University. He was a Visiting Professor and Advisory Professor of Nankai University, Tongji University, Shanghai Jiaotong University, Beijing Normal University, Beijing University, Zhongshan University, Fudan University, Helsinki University and Singapore Nanyang Technological University etc. He was also advisor of the One Asia Foundation in Japan. He published extensively in the fields of Japanese economics, Japan-Asian as well as China-Asian economic relations, and Asian and East Asian economic integration, which were his special interests. Recently, he also paid attention to economic development in China, and ethnic Chinese economies in Asia. His most recent publications included "Japan and China in East Asian Integration," "The Road to China's Economic Development," "Asia Giants in the Face of the Global Economic Crisis," "East Asian Economic Integration," "East Asian Political Economics," among others.
